My Dear Father

Chile

This I write  
to let you hear from me,  
not that there is any  
news to communicate.  
I am very tired of living  
here, am endeavoring to  
close my business that  
I may leave for home  
where I hope I may find  
you all enjoying good health.  
In the mean time make  
my regards to all friends  
and believe me as ever
